Subject: Request for Postponement of This Week's Laboratory Session

Sir,

We respectfully request the postponement of the laboratory session scheduled for this week.

Following the Eid-ul-Adha vacation, many students who traveled to their hometowns are facing significant travel constraints and scheduling challenges, making it difficult to return to campus on time. Given that the semester has been extended, we kindly ask that this week's lab be rescheduled for a later date, or replaced with an alternative makeup activity.

We remain fully committed to completing all academic responsibilities and covering the necessary lab content.

Sincerely,

ID : 230042113, 230042154

On behalf of the students of SWE '23
